# 1102 Conference & Spring May 24th & 25th

## Our Featured Speaker

Dennis Debbaudt is the leading global voice on autism training for law enforcement and emergency responders.

Dennis Debbaudt was first to address the interactions between law enforcement and people with autism in his 1994 report *Avoiding Unfortunate Situations*.

He has since authored a full length book, over 30 reports, book chapters and produced innovative and acclaimed training videos for law enforcement and first responders such as paramedics, fire rescue, police, and hospital staff who may respond to an autism emergency. Dennis has written for the FBI's Law Enforcement Bulletin and is a cited resource for the Department of Homeland Security. He has developed training and consulted to the NYPD and Chicago Police Department.

For more information on Dennis and his work, please see his website at...
